Valued Supplier to P&G's Specialty Beauty Businesses,

As previously announced on July 9, 2015, P&G plans to merge our Salon Professional, Retail Hair Color, Cosmetics, select Fine Fragrance and Hair Styling businesses (collectively, "Specialty Beauty" businesses*) with Coty Inc. ("Coty") in a transaction that is currently targeted to close in October 2016.

Thank you for your help thus far as we prepare to establish these businesses under a new corporate structure that is to be merged with Coty. To that end, we also request your support to enable the transfer of the relevant commercial agreement(s) with your company that cover the Specialty Beauty businesses.

Here are details (including some clarifications vs. our July communication):

1. **Start Date:** P&G will transition its Specialty Beauty business into a new legal entity structure on 11:59 pm on September 23, 2016. P&G will have full ownership of the new legal entity structure until the merger with Coty is completed (targeted close in October 2016).

The new legal entities that will assume the Specialty Beauty business agreements were previously provided in our July communication, as well as tax registration and invoicing instructions. This information is also available at the *P&G supplier portal* at www.pgsupplier.com

2. **Transition Details:** To facilitate the restructuring, we will have to replace existing Purchase Orders ("POs") where legal entities change or other significant changes make it necessary. To indicate that a PO is for new, incremental business activity, or a replacement of a previous PO, we will add a special notification text on the replacement PO, and the "Our Reference" field in the top of the PO will contain the previous PO number. In case of replacement orders, please update your invoicing information according to the information on the PO.

Please prepare for the following invoicing changes:

- We will not process any goods receipts or invoice receipts between September 22 and September 26, 2016 in order to execute the restructuring.
 - Business as usual - All invoices related to deliveries or service performances UNTIL September 23, 2016 MUST be invoiced to the "current" legal entities.
 - If you received a replacement PO (mostly issued between September 22-26), please ensure to split invoicing accordingly:
 - Invoice activities or deliveries until September 23 according to the previous PO;
 - Invoice activities or deliveries as of September 24 to the legal entity mentioned in the replacement PO. Please follow the invoicing instructions (e.g. mailing address) on the replacement PO.
3. **Invoice Details:** Post Office Boxes and physical addresses for paper invoice submissions will be provided on your new purchasing documents and the attached table (see table below). Suppliers who currently use ERS-Self Billing, E-invoices or PDF Invoices via email will be contacted separately with instructions.

4. **Proof of delivery/performance:** In order to ensure smooth processing of your invoices and payments, we strongly recommend that you include a proof of delivery and/or performance with your invoice.
5. **Supplier Portal:** The P&G Supplier Portal www.pgsupplier.com will continue to be used by the new Specialty Beauty business after October 2016 to send out PO's as today and will also give you access to invoice/payment details and status to manage your account information online. Please contact the Account Payables Customer Response Center (see above) if you have any registration or locked account problems.
6. **Confidentiality:** We would like to remind you that until the transaction closes, P&G continues to own and operate all of these businesses as usual. As we work together to transition with excellence, please continue to maintain the confidentiality commitments of your P&G relationship by ensuring that no P&G documents / information / pricing etc. are shared or discussed with Coty without P&G's written consent.

If you have any questions, please contact us or your usual P&G contact. Once again, thank you for your support of the Specialty Beauty business transition to COTY and we look forward to our continued relationship on other P&G brands/businesses you may serve.
